Take advantage of "Yellow Banana"

"Yellow Banana"
= new axis of economic power between Hamburg/Copenhagen and Budapest
→ as a result of EU expansion

Your benefits
Your gateway:
• to Eastern European markets
Your saving:
• 1 hour flight time (Asia/Middle East)
Your advantage:
• fast access to trucking routes (esp. east- and northbound)

Close to emerging markets – but still made in Germany
Join our international flight network
Road-Feeder Services

We offer:

- Daily trucking services to/from German and European destinations
- Time definite and flexible schedules
- Special goods trucking services (DGR, COOL)
- To-door services within Germany, Poland, Czech Republic and Slovakia
- Further destinations on request
- Co-Loading and dedicated roller bed trucking
